What an amazing showcase of our student talent at our Presentation Day awards ceremony yesterday. Well done to all of the award recipients and huge congratulations to our current school leaders, Eliza, Reinhard, Hanz, Chloe, Josie and Cooper, who were really fabulous in running both of our ceremonies. Thank you to all of the performances, and the teachers who coordinated these, particularly Mrs Winsor and her band and choir conducting! Thank you to Ms Rose for her superb coordination of the whole day, there have been a few sleepless nights leading up to this, so it is great to see it go so well.

I would also like to acknowledge our new school leaders for 2019, who were announced at Presentation Day: Boy Captain – Matthew W, Girl Captain – Georgie W, Vice Captains – Boys – Toby R, Ben R, Girls – Stevie B, Desiyer B. I can't wait to support you in your leadership in 2019. Well done!

We are currently receiving a playground makeover in the Kindergarten area, which is also where the bus lines are of an afternoon. We are going to have some artwork painted in this area to reflect an obstacle course for our students. Please try and avoid this area while the work is being done.

Year 6 students will be travelling to the Singleton Youth Centre on Friday 7th December, as a reward for them coordinating the Positive Playground activities throughout Term 2 and 3. They will participate in a series of fun activities coordinated by the staff at the Youth Centre.

The Year 6 Farewell will then take place on Thursday, 13th December. The event will begin at 5:45pm and include the presentation of Year 6 farewell certificates and a farewell dance. Year 5 and 6 students will have a light supper before enjoying a silent disco.

CANTEEN NEWS

The canteen will be closing its doors at the end of trading Friday 14th December for 2018. On the last three days of the school year we will be stock taking, cleaning and preparing for 2019.

Flexischools will also close down at the end of trade on the same day.

Please do not forget that we are winding down our stock and may have used up our supply of your child's first choice. Please add a second choice.

We take this opportunity to say a very big thank you to each and every person who has helped in the canteen in any way- big or small and do not forget that our Volunteers morning tea will be held on Friday 14th December at 11.10am. To each and every member of the school community, we wish you a very Merry Christmas and a happy, prosperous and safe new year. May Santa make all your wishes come true and let's all meet at the end of January and do it all again, but let it be a bit slower this time.

Merry Christmas

Audiology Hearing Booth

NOW AT UNGOOROO

Ungoоро GP & Health Services as an Aboriginal Community Controlled Health Organisation are expanding their services by providing audiology and hearing screening at Ungoоро. This has been made possible through support from local industry.

Ungoоро GP & Health Services would like to thank Yancoal for their support in supplying Ungoоро with an Audiology Hearing Booth for hearing screening in both adults and children of our community.

Ungoоро as an Aboriginal Community Controlled Health Organisation (ACCHO) are passionate about targeting hearing loss both in adults and children in our local Aboriginal and Torres Strait Islander community.

Research has shown the long-term consequences of chronic otitis media which include delay in speech and language development, contributing to learning difficulties, behavioural problems and problems progressing through school.

Ungoоро GP & Health services with the support of Yancoal are very passionate about raising awareness of this problem.

Yancoal Mount Thorley Warkworth General Manager Jason McCallum is pleased to support such a life changing initiative.

"We are proud to be part of a program that helps improve the health of people in our community and makes a difference."

Our staff and registered nurse are accredited and trained in audiology screening for both adults and children.

Eric Lengling, Superintendent Health, Safety & Training was on hand to chat to our staff and registered nurse who are accredited and trained in audiology.
